Indicators and information

Preview of indices' theoretical portfolios

B3 regularly discloses three previews of the new compositions: On the first business day of the month preceding the start of the new portfolio's validity; On the trading day following the 15th of that month; On the penultimate day of the previous portfolio's validity.

In special situations, B3 may advance the disclosure of the previews and/or conduct them on dates other than those specified in this item.

3st Preview Of The Indexes

Distribution and quantity of shares comprising the main market indices.

For January to April 2025

(1) Theoretical quantity effective for the portfolio's validity period, subject to changes only in the case of a payout (dividends, bonus and subscription) by the companies

(2) Participation of shares in the portfolio, announced for the day's start of trading 12/22/2025 subject to change due to price developments in these instruments.
